

REMARKS

In response to the Notice of Non-compliant Amendment mailed February 24, 2005, Applicant hereby presents a supplemental claim set in conformance with 37 C.F.R. 1.121. By our previous Amendment, submitted October 7, 2004, Applicants canceled claims 19-21 without prejudice.

Moreover, it is unclear whether the Office considered a Preliminary Amendment submitted previously in this case on August 26, 2002. Thus, Applicant has also included, in the claim set above, the changes to the claims set forth in the potentially unconsidered Preliminary Amendment. These amendments include cancellation of claims 6, 9, and 17, without prejudice, as well as amendment to claims 1, 7, 10, 11 and 18. After entry of this paper and the Remarks in the previous, associated Response (filed Oct. 7, 2004), claims 1-5, 7-8, 10-16 and 18 will be pending in this application.

Conclusion:

In view of the foregoing properly-formatted claim set and the above remarks, Applicant respectfully requests reconsideration and reexamination of this application and the timely allowance of the pending claims.
